Customer Service Pledge

“ An ounce of prevention is worth a pound of cure. ”

- Ben Franklin

When applied properly, SpeedyDry will benefit almost every conceivable print job. In order to insure the best results, we ask that you call us before you run the tough job. Every print job is subject to variations in temperature, humidity, water ph, nuances of an individual press, and just about anything else you can think of. Let us help.

We pledge to be here for you. Call us, and we can proactively trouble-shoot your job with you.

Furthermore, if you are not satisfied with SpeedyDry, we will buy it back from you.
